Dear Mr. Gibson.

Reference HT&GE/JAG/2.15.11/DAP

Thank you for your letter of the 8th February, enclosing a form for completion in connection with a statutory declaration on footpaths. I note that this must now be lodged on a sexennial rather than quinquennial sequence.

I have again signed the form on behalf of the owners, which I trust meets the requirements. If this is not satisfactory perhaps you could please let me know.

I would be grateful also if you could confirm that my letter of 18th March 1993 in connection with my own territory, (for which I received a response card referenced HT&GE/JAG) has been accepted as a sexennial declaration.

With thanks,

Yours sincerely,

Peter G. Ratcliffe.
