

STATEMENT OF REASONS

Following an inspection of a retaining wall on Lee Wood Road it was deemed that waiting restrictions were required to prevent parking adjacent to it compromising the stability of it.

Initially, the waiting restrictions were provided Emergency Temporary Traffic Regulation Order (ETTRO) and then by a Temporary Traffic Regulation Order (TTRO).

It is unlikely that remedial repairs to the wall will be carried out soon, so it is proposed to make the restrictions permanent by means of a Traffic Regulation Order.

The Council considers it expedient to make the Order: -

- i.** for avoiding danger to persons or other traffic using the roads or any other roads or for preventing the likelihood of any such danger arising, and
- ii.** for facilitating the passage on the roads of any class of traffic (including pedestrians), and
- iii.** for preserving or improving the amenities of the area through which the roads run.
