

## **Temporary Changes to Calderdale Statement of Community Involvement, with regards to the Calderdale Local Plan**

**August 2020**

Paragraph 2.9 of the Calderdale Statement of Community Involvement sets out that the Council will make relevant Local Plan documents available for inspection at Customer First Offices and Libraries, and that copies of documents will be made available free of charge on request.

In response to the Coronavirus pandemic, The Town and Country Planning (Local Planning) (England) (Coronavirus) (Amendment) Regulations 2020 temporarily remove the requirement on the Council to make Local Plan documents available for public inspection at Council offices and Libraries. It also temporarily removes the requirement to make hard copies of documents available on request. These changes are in place until 31 December 2020.

In order that these temporary measures do not conflict with the Statement of Community Involvement, this note has been prepared to explain the reasons why documents are not available for inspection.

All documents related to the Calderdale Local Plan Examination will continue to be placed online, in the Examination Library. Interested parties are encouraged to keep checking the Latest Examination News section of the website for updates.
